PART THREE: ASSURANCES

This page must be signed for the project to be considered for funding.

Commitment/Prior Commitment:

Has the project Administering Agency certified that it is willing and able to maintain and operate the project?

☐ Yes

☐ No

Please describe the best evidence of the certification available. If none is available, when can one be provided?

Project Administering Agency possesses legal authority to nominate transportation enhancement activity and to finance, acquire, and construct the proposed project; and by formal action (e.g., a resolution) the Administering Agency's governing body authorizes the nomination of the transportation enhancement activity, including all understanding and assurances contained therein, and authorizes the person identified as the official representative of the Administering Agency to act in connection with the nomination and to provide such additional information as may be required.

Project Administering Agency will maintain and operate the property acquired, developed, rehabilitated, or restored for the life of the resultant facility(ies) or activity. With the approval of the California Department of Transportation, the Administering Agency or its successors in interest in the property may transfer the responsibility to maintain and operate the property.

Project Administering Agency will give the California Department of Transportation's representative access to and the right to examine all records, books, papers, or documents related to the transportation enhancement activity.

Project Administering Agency will cause work on the project to be commenced within a reasonable time after receipt of notification from the State that funds have been approved by the Federal Highway Administration and that the project will be carried to completion with reasonable diligence.

Project Administering Agency will comply where applicable with provisions of the California Environmental Quality Act, the National Environmental Policy Act, the Americans with Disabilities Act, the Secretary of the Interior's Standards and Guidelines for Archaeology and Historic Preservation, and any other federal, state, and/or local laws, rules and/or regulations.

I certify that the information contained in this transportation enhancement activity application, including required attachments, is accurate and that I have read and understand the important information and agree to the assurances on this form.
